  2. **Printing:** Printing facility is available for records searched from the Internet for academic, research purpose only at a nominal cost of @ 1 Rupees per page. Articles from J-Gate will provide outside scholars at a nominal cost of @ 5 Rupees per page
- **Information & Reference Service:**

We offer following services in order to meet the information needs:

1. **Reference Assistance:** Library provides in-person assistance at a designated Information or reference desk. Providing reference help in the library is often the most effective way of getting your questions answered. Please don't hesitate to ask the librarian for help in locating materials, using the computerized catalogs and databases, or for information about library services.
2. **Telephone Reference and Electronic Reference services:** We answer questions over the telephone and also answer questions submitted through the e-mail. This method is usually best for factual or directory type questions, certain other types of questions may be best answered in person.
