Ask Librarian

Ask a Librarian is a live virtual reference service that offers online reference assistance to registered users of Acharya Institutes Libraries.

Why use this service?

- We might be able to save your time and let you focus on using the information. We will search from
- reliable and authoritative library resources or other external sources.
- We will provide answers or point you in the right direction to get what you need. Replies would be sent within 24 hours.
- Give ASK Librarian service a try. Submit your question to send mail.
